

All Saints' Day

All Saints' Day falls on the first Sunday of November. On this day we commemorate those we have lost, as well as the Christians who have lived before us and have testified to their Christian faith. All are saved by grace. For Lutherans, All Saints' resonates with the belief that in Christ, every saint is a sinner and every sinner a saint. Lutherans especially remember that it is God's grace, apart from our works, that makes us saints. We find lasting rest only in the mercy of God.

We include in our prayers CTK members and/or their immediate family members
